

# The Street Yacht Club Membership

Joining a yacht club is an essential milestone in your life. It marks a certain degree of success and allows you to enjoy plenty of luxurious amenities. In addition, setting sail on a yacht is the ultimate way to unwind from a hectic work week while you try to climb the corporate ladder.

Fortunately, The Street yacht club would love to welcome you as a brand-new member. Thus, you can enjoy an afternoon on the water with a beautiful yacht in exchange for a small sum of money.

## What Does The The Street Yacht Club Offer?

The Street Yacht Club membership will offer something that differentiates it from others. Here is a brief to give you a better idea of where your money is going. You gain privileges at other The Street yacht clubs around the world. If you don't need to own your yacht, The Street Yacht Club Membership is universal anywhere The Street Yacht Club will operate its vessels.

## What Is Generally Included in the Membership Fee?

Why should you join a yacht club? Many potential members want to know what they can expect from their membership fees before committing to a year-long contract. The NFT Membership is once and for a lifetime.

### Amenities and Activities

First and foremost, you get access to activities and cruises planned by board members. These might be various sailing activities, dinners, get-togethers, tennis matches, or other events that take up a lazy Sunday afternoon.

It is like a private oasis where you can escape the hustle and bustle of the regular world. So slow is the Time that passes when you enjoy the amenities on a The Street Super Yacht or Exclusive Resort.

**Access to the Metaverse**

Most people join yacht clubs mainly to rent out boats instead of purchasing their own. **Therefore, becoming a yacht club member may give you access to an entire fleet of yachts that can be reserved for a day or weeks.**

**Are There any Additional Costs Besides the Membership Fees?**

The Street NFT Membership Token is a one-time fee for life or as long as you are the owner of the NFT token. That is the only direct associated fee with joining The Street Exclusive Yacht Club.

This one-time fee should be the only additional money you pay except fuel. However, most yacht clubs do not cover the cost of the petrol used in the ship during your rental if renting is an option. So be prepared for what this could cost you.

## Is The Street Yacht Club Membership Right for You?

Understanding the cost of a yacht club membership can be the first step toward determining if this is right for you. Many people love the luxuries available through the more expensive yacht clubs, but they may not be able to afford them. The Street Commodore Yacht Club makes it all possible without the high costs.
